14 SEER

Comfort you can count on

Air Conditioners/Heat Pumps

CONCORD
Quality heating and cooling products
14 SEER or up to 15 SEER and 8.5 HSPF heating efficiency with specific AHRI matched systems

Exceeds ENERGY STAR® guidelines

This product may be eligible for a tax credit under the Middle Class Tax Relief Act†

All models are Dual Fuel compatible (heat pump models only)

14 SEER or up to 15 SEER and 8.5 HSPF heating efficiency with specific AHRI matched systems

Uses R410a refrigerant—A chlorine-free, high performance refrigerant that is better for the environment

Each unit is 100% factory run-tested to help ensure the highest level of reliability

10-year limited warranty on compressor and parts*

Defrost control is Quiet Shift™ capable, allowing the unit to shift quietly into defrost mode without the loud hissing noise that may occur (heat pump models only)
