Wrap your family in comfort.

93 advantage

Nothing makes a house a home like clean, soothing warmth. That's why we put so much thought into the energy-efficient Advantage 93 gas furnace line. We packed it with safe, family-friendly features for years of healthy, trouble-free comfort. From cool summer nights to frigid winter days, your family deserves our very best in home comfort.

- Up to 93.0% efficient – ENERGY STAR® qualified
- Lifetime limited warranty – heat exchanger*
- 10-Year limited warranty – parts**

Lower utility bills.

The Advantage 93 furnace line has an impressive **AFUE rating up to 93.0** — meeting strict energy-efficiency criteria required for **ENERGY STAR® qualification**. And that means less energy is needed to maintain the comfort of your home when compared to older, less-efficient furnaces.

Warm and reliable comfort — season after season.

We have engineered the Advantage 93 line to help ensure that your home is warm and comfortable. We incorporate **quality components** made with **robust materials** like **stainless steel in our primary and secondary heat exchangers** to help resist corrosion and maintain long-lasting performance. This means you can rely on the Advantage 93 line for **consistent, even comfort**.

Quiet operation.

With features like a fully insulated cabinet and blower compartment and a sound-reducing burner enclosure, the Advantage 93 line is **designed to operate quietly** — during every stage. It's just another element that adds to your ultimate comfort.

Easy to maintain and service.

We've added the innovative monitoring control system to help your service technician work quickly and effectively. Regular servicing is always recommended to help ensure your product operates at peak performance.

Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit www.energystar.gov.

* Lifetime limited heat exchanger warranty applies to registered equipment only (Standard 20 years with no online registration). See full warranty at www.alliedair.com for terms, conditions and exclusions.

** Warranty provides for a total of 10 years of limited warranty coverage (Standard 5-year limited parts warranty plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at www.alliedair.com for terms, conditions and exclusions.

Lifetime Limited Warranty on primary & secondary heat exchangers.*
10-Year Limited Warranty on parts.**

Not approved for use in mobile home applications.
